SUGGESTED DISCUSSION POINTS FROM JUNE 23, 2019 SERMON

Ask for the Counsel of the Lord
Joshua 9

1. Do we need the guidance of God only when we are in doubt?
2. Do we not need to be careful when we begin to think, "There is no need to consult the Lord on this matter – it's quite clear"?
3. When are you most tempted to handle things yourself rather than seeking wisdom or prayer?
4. Can you detect Satan's subtle sneak attacks in your own life?
5. Some might call Israel's oath keeping 'eating crow.' When has your own folly lead to such crow-eating dinners?
6. What consequences have you experienced through past failures?
7. Describe instances in the Bible where God chooses and uses failures? (David, Peter, etc...)
8. Have you seen God redeem and utilize your past failures? Explain.
