Be Strong and Press On
2 Timothy 2:1-13

When you are weak, worn out or beaten down, do you look to the strength of Jesus or your own?

Why is the empowering grace of Jesus Christ essential for being strong and pressing on?

Why is it important for a church to be led by a plurality of elders rather than just one pastor?

Why is it important for you to surround yourself with believers in order to be strong & press on?

What tends to distract you from the things of the Lord? Are you entangled with stuff that is keeping you from following the Lord?

Are you the undistracted soldier, the athlete who doesn't cut corners and the hard-working farmer? Or, are you distracted by all types of things, cutting corners in your life and slacking off following the Lord?

Why did Paul tell Timothy to 'Remember Jesus Christ' in verse 8? Was Timothy in danger of forgetting or is it something else?

Describe how the 4 parts of verses 11-13 move from comfort to challenge to back to comfort?

How can we encourage one another as a small group to be strong and press on?
