Beyond Belief
2 Corinthians 1: 3-11
(Pew Bible p. 1155)

“Believing God exists is not the same as trusting the God who exists.”
–Randy Alcorn

That which you least like can be most used by God
to push you beyond belief to trust.

The theme of weakness in 2 Corinthians:

Go Beyond Belief...to TRUST.

*Bible characters rarely fell on their weak points but on their strong ones; an unguarded strength is double
weakness.*

Paraphrased from Oswald Chambers

Looking ahead: Read & Study Luke 18:1-8 & 35-43 for next week.
