### Questions

What are some of the lies that Satan tries to deceive you with? Give an example of how the Voice of the Lord in the Word of God dislodges that lie and replaces it with the truth.

How often do you think about the future ‘shaking’ of the return of Christ? (Hebrews 12:26-27)

Describe the idea behind this ‘shaking?’

A warning question to those considering bailing on Christ:

Why would you want to turn away from Jesus the King of the eternal unshakable Kingdom and become engrossed with things that are just going to be shaken along with all those who run after them? How does this imagery help you in your perseverance?

Explain how the reality of being a part of an eternal unshakable Kingdom should inspire thankfulness.

What does it mean to worship God with reverence and awe? (Hint: It’s not just about singing or coming to church.)

If we are safe in Jesus, then why serve and worship Him with fear?

Discuss 2Peter, “Since everything will be destroyed in this way, what kind of people ought you to be? You ought to live holy and godly lives.”

What does this kind of living look like practically in your life?
