SUGGESTED DISCUSSION POINTS FROM May 10, 2020 SERMON

Deep Joy
Philippians 1:12-20

How did Paul's circumstances open up new areas of ministry for him rather than confine him?

How did God cause the chains on Paul's wrist to advance the Gospel?

Why should Philippians 1:12 give us added incentive to speak the Gospel to someone?

What are your 'chains'? Discuss: Nothing can stop you from sharing Christ and following Him.

What kind of 'chain's in your life has God used?

How did Paul's circumstances encourage others?

Why is it liberating to live caring more about our redeemer than our own reputation?

What will it look like for you to lay your head on the 'pillow' of God's sovereignty each night?
