

## Forgiveness: The Promises

Ephesians 4:29-32

(Pew Bible p. 1172)

Ephesians 4 – A chapter on the Christian's daily walk.

Ephesians 4:32 – Understanding the parts of this key verse.

One working definition: *Forgiveness is a promise to release the offender from the guilt of their offense, while promising to not bring it up again - to them, others, or myself.*

Because you are forgiven by God  
you must forgive like God.

*An unforgiving spirit is the devil's playground and  
the Christian's battleground.* Warren Wiersbe
