

God's Favorite Tool

Judges 3:7-11

God uses ordinary you to do extraordinary things, when your availability draws upon His ability.

The "case study" of Othniel – Judges 3:7-11

"I am such a small person. I don't have many talents. I'm weak.

Nothing I do has any real significance," says many a Christian about the possibility of being used by God. My response to that man or woman is that, "**with God, there are no little people.**"

The Scripture emphasizes that much can come from little if the little is truly consecrated – set apart - to God.

There are no little people and no big people in the true spiritual sense, but only consecrated and unconsecrated people.
