

## *Gideon # 5: God's Math* Judges 7:2-8

The purpose of Village Bible Church (*and your life!*) is to glorify God by making disciples (*and being one!*) who become growing and serving followers of Jesus Christ.

The **GOAL** of this process: *A Maturing Follower of Jesus.*  
The first specific in that goal is ***A Vital Relationship With Jesus.***

Healthy Relationships are built around **TRUST**.

***God's way is to orchestrate your life  
for deeper trust in Him.***

Gideon continues to teach us "everyday life principles" all towards deepening trust in the Lord:

God's new math: Never underestimate what you and God can do!
