A Place To Belong #1

God Designed For Others Hebrews 10:19-25

God's foundational perspective: Created to *need* others.
– Genesis 2:18

God's Design: *Everybody* needs 'a place to belong.'
– Hebrews 10:24-25

God designed you to need others.

Spiritual transformation cannot be forced or manipulated, but neither is it a random venture. It is unlikely that we will deepen our relationship with God or others in a casual or haphazard manner. There will be need for some intentional choices and reorganization in our own lives. –Adapted from John Ortberg
