

How Then Should We Pray for the Church?

Ephesians 3:14-21

Question: How can I pray for you? How can I pray for the church?

- I. Pray for God's power to be evident in every individual believer and in the entire body of believers.

- II. Pray that each member of the body will understand the love of Christ and that the church will be grounded in that love.

- III. Pray that every member of the church will grow to maturity in Christ and that the ministry will flourish because of that spiritual growth.
