Incarnational Attitude

Philippians 2:5-11

Is this your attitude and mindset? Is this your way of life? (Read Philippians 2:5)

Do you seek to get, get, get or to give, give and give?

Is this our mindset as a community? Are we known for humility and compassion?

Do you selfishly cling to your rights and privileges or do you willingly lay them down to serve others?

Describe how Jesus wasn't a grasper but a giver? (read verses 6-7)

How can you move from a grasper to a giver?

How was Jesus treated when He gave up His rights and made Himself of no reputation? (8)

How can you adopt the mentality of downward mobility instead of upward mobility?

Why is the exaltation of Christ important to you today?

Discuss the fact that those who humble themselves will be exalted. What might that look like now and in eternity?
