Invested Sojourners

Explain the concept of being an “Invested Sojourner”.

What does it mean to be settled and unsettled? (Hebrews 11:13)
(You are in your body on this earth, and you have to live here but you must remain unsettled with the ways of the world).

Do you remember the hand signs for Settle, Grow and Invest?

What in your life is an Ark (Noah), a Tent (Abraham) or a Baby (Sarah)? What in your life is different from the world because you follow Jesus? What do people of the world think is crazy because you follow Jesus?

What does it mean that we currently live between two worlds?

Do you ever think that some of your old ways of living are better than some of your newer ways? Are you ever tempted to go back?

Have you ever experienced the ‘idolatry of the next’?

How can we encourage one another to keep our eyes on Jesus and look toward Home?
