Practical first steps you can take...

1. Don't share your faith for one week. But, keep a diary of every opportunity where you could have or should have if you had the confidence to do so.
2. Make a list of people you believe need to hear the Gospel and start praying for them on a regular basis.
3. Rehearse your personal testimony.
4. Invite one individual or couple to the Easter service at the Woodlands. Consider doing it by email or text.
