Is It Wise?
Proverbs 1:1-7

- If Solomon had the Law of God, then why did he ask for wisdom?
- Explain how some decisions in life are moral whatever you choose but you still need wisdom for the right choice.
- When you think about your choices in life why is it good to not just ask, “Is there anything wrong with it?” but also, “Is it wise?”
- Demonstrate the Hand Motions that go along with the definition of wisdom: “Wisdom is the God-given competence to navigate through the details of life for the glory of God.”
- Would you consider yourself teachable? Why is this trait important to growing in wisdom?
- As you grow older do you feel like you are still growing in wisdom or do you feel like you have learned all that you need to learn? Why is it important to keep seeking God for wisdom?
- Talk about how wisdom is a combination of fear and faith. (Proverbs 1:7)
- Where would you like to be with your life in one year? Any goals? What wisdom is needed to bring you to that point?
