Lights in the World
Philippians 2:12-18

What effort are you putting into growing spiritually?

How can a Christian both enjoy God and tremble about that same God?

Underneath our work is God's work. How does this bring comfort to your life as a Christian?

How have you been motivated to enjoy growing in sanctification? In which areas in particular will you pray for God to work in you as you work at growing in holiness?

How can murmuring, complaining and arguing hinder us from being light to the world?

When are you most likely to complain? What would it sound like to praise God in these moments instead?

With whom could you share Christian joy today? Do you allow others to share it with you even when you are facing difficult circumstances?

How can you maintain a joyful attitude in the face of the problems of life?
