Gospel Precision 2

Learning to Preach The Gospel
To Yourself Every Day
1 Corinthians 15:1-5
(Pew Bible p.1152)

1. Understanding the **TEXT** of the biblical gospel.

*One of the most common mistakes in witnessing is to share 'the entire Bible' but not the gospel. The Bible contains 66 books; the gospel can be reduced to 10 words: **Christ died for our sins and rose from the dead.** Larry Moyer*

2. Applying the **TRUTH** of the biblical gospel.

You never move on from the gospel – only into a deeper experience of the gospel.

The Gospel: ***A precise message for daily preaching to our own selves.***

Next week – Acts 14:8-18
