

Samson: What Are We Really
To Learn From Him?
Judges 16:18-31

Why Samson?

Judges 13-16

...to show us our need of a Greater Deliverer. Luke 4:18

...to show US our need of a Greater Deliverer. Galatians 5:16

A 'danger' of the Book of Judges is that when its characters are so earthy, puzzling, indeed strange, we may miss the book's intention – to be a revelation from God about God.
