True Revival:  
A People Saturated With God  
2 Chronicles 7:11-15  
(Pew Bible p. 452)

Genuine Biblical encouragement as we survey the national scene:

1. Our God can work no matter how dark it seems.  
2 Chronicles 7:13 – 14
2. Our God always has *more* to give and do.  
2 Chronicles 25:9
3. Our God is not limited by human leaders.  
2 Chronicles 36-22-23

Historical Examples

***God can do it!***

Personal Application – Pray for a fresh ‘outpouring of the Holy Spirit’ and the manifest Presence of God in our land.

***“O Lord, do it again, do it again, Lord”***

–a man praying at the funeral of William Booth, founder of the Salvation Army, reflecting upon the powerful influence of his life.
