

SUGGESTED DISCUSSION POINTS FROM MARCH 28, 2021 SERMON

Seek Kingdom Priorities

Why is it not natural for us to seek Kingdom Priorities?

Why does seeking Kingdom Priorities often become hard wired in our hearts only after seasons of suffering?

What do you tend to worry about the most?

Why are we not to be obsessed or preoccupied over security and comforts like the unbelieving world? (verses 31-32)

What does it look like for you to turn your worldly preoccupation into Kingdom prioritization?

Do you honestly feel that you are more valuable than birds? Why is Jesus making an argument in this manner?

Discuss: Worry does not gain you more hours on this earth, but it may decrease your hours on this earth.

What is the root problem of your worry? (verse 30)

Instead of being obsessed and preoccupied with your worries become obsessed and preoccupied with His Kingdom and His righteousness. What would this look like?
