

## The Forgotten Advent: Will We Be More Ready?

Titus 2:11-15  
(Pew Bible p. 1194)

That Jesus came is a guarantee  
that He will come again.

1. Jesus appeared in the *past*, 11
2. Jesus is instructing you in the *present*, 12
3. Jesus will appear again in the *future*, 13

Summary: Jesus saved you FROM your sins FOR Himself, 14

### So What?

1. Do you *really* believe this major biblical truth?
2. Do you live *today* in its light?

Robertson McQuilken notes that 86% of the “predictive prophecy” passages in the New Testament have a direct, explicit linkage to a present-day, life application for the Christian.
