WIJD - A Personal Relationship With A Living Savior
Hebrews 1:1-4
(Pew Bible p. 1196)

The grace based Christian life roots WWJD in WHJD & WIJD

WWJD = What Would Jesus Do?

WHJD = What Has Jesus Done?

WIJD = What Is Jesus Doing?

Hebrews presents a strengthening invitation to a daily, personal relationship with an active, living Savior.

What Is Jesus Doing right now?

Personally controlling His world...including the 'corner' you live in.
- Hebrews 1:3

How does this begin?

Personally trusting this Present Savior as Savior for your sins.

To see God's hand in everything is a step toward trusting God for everything.
