Review: WWJD = What Would Jesus Do?  
WHJD = What Has Jesus Done?  
WIJD = What Is Jesus Doing?

The Book of Hebrews continues to teach some of the most profound truth about what Jesus has done, so that we can enjoy some of most personal applications of what He is doing today.

WIJD (What Is Jesus Doing) right now? =

Coming to help those who call to Him.

Application: Learning to call to Him...learning to receive from Him.

*Regard Jesus not only as a great Person who did incredible things 20 centuries ago but also as a great Person Who is doing personal things today.*
