What Is Jesus Doing? #7
Helping You Run The Marathon
Of The Christian Life

Hebrews 12: 1-3

(Pew Bible p. 1205)

Hebrews 12:1-3 and the Christian life:

Endurance in this marathon comes by “faith-focusing” on Jesus.

How Jesus helps you run the marathon of the Christian life:

“Faith-focusing” on WHJD – What Has Jesus Done in the Past ‘*endured the cross*’

“Faith-focusing” on WJJD – What Is Jesus Doing in the Present ‘*has sat down at the right hand of the throne of God.*’

The Christian life does not merely involve believing something about Jesus. It also involves believing something about ourselves – who we are without Jesus and who we are with Jesus.

Looking ahead: Read & Study Hebrews 13:5-8 for next week.
