Living In Between: The Book of Numbers 7

What Is A Talking Donkey  
Doing In God's Word?  
Numbers 22  
(Pew Bible 165)

'*Living In Between*' requires a Guidebook. The BIBLE is:

**Basic Instruction Before Leaving Earth**

My approach to the Bible is the same as my approach to eating fish: *Go for the nourishing meat, leave the bones on the side.*

600 years earlier God said, "*Abram, your descendents will be blessed.*"  
- Genesis 12:1-3 and following

God will even use a donkey over an internationally famous 'religion man' to powerfully drive home His point:

God keeps His Word

*If there is a God, then miracles (including speaking through a donkey!)  
are not only possible, they are appropriate.*

*Looking ahead: "Living In Between" will conclude next week. "Living In Between" requires prayer  
– Read Numbers 14:1-21 in preparation.*
