Questions Jesus Asks You #1

Why Are You Afraid? Mark 4:35-41 (Pew Bible 999)

Jesus' questions *press* His points into our lives.

Jesus teaches that *fear is deflated* by faith (Mark 4:40).
Jesus believes the disciples should have this by now.
So, where does this "*fear-deflating*" faith come from?

Two themes in Mark 1-4 that should have produced "*fear-deflating*" faith in Jesus:

1. Jesus has *all-authority* over everything.
2. Jesus is *all-caring* for everyone.

Fear deflates as you trust in an "all-authority" "all-caring" Savior.

Fear can be a handle by which you lay hold on the Lord.

Looking ahead – Read Luke 6:46-49 in preparation.
